The lodging house is made of six double rooms with private bathroom, salon for customers with fire place and T.V. Each room is decorated in a different way, mixing rustic and modern, we tried to give the house an elegant personality and confort.

One room is designed for disable person.

Rooms are hired individually and we offer breakfast lunch and dinner as per our clients requested.

In the second building are located the Bar and the Restaurant. Where our customers may enjoy the traditional basque and castillian cuisine, or take an aperitive at the terrace.

We offer daily menus every day and also during weekends, as well as menu *a la carte*, aperitives, etc.
